Dated 31st May 1948.

Press Note.

Yarn Distribution—April 1948 Quota.

It is hereby notified for the information of the Retail Yarn Dealers and the Power Loom Factory owners that as a special case Government are pleased to order distribution of yarn towards April 1948 quota and accordingly yarn has been released to the Wholesale Dealers and they are requested to receive their quotas as before. Since some of the mills offered production for only 23 days during April 1948 the quantity available for distribution to handloom weavers has fallen short of the normal standard. As a result thereof the retailers supplying yarn to handloom industries are allotted three-fourths of their usual quota and the allotment to power looms remains unaltered, *i.e.*, they get on the basis of 18 bundles per loom as before.

Since price-marking is given up and the price of yarn has been revised by some of the mills the wholesale and retail yarn dealers who are entitled to a reasonable margin of profit based on their present purchase price are requested to see that the weaving industry gets its due share of the raw material at also reasonable prices.

There is no change in the mode of distribution and the previous arrangements hold good. Retail yarn dealers outside Bangalore District should as usual obtain permits from the respective Deputy Commissioners to draw their quotas from the wholesale yarn dealers. The allotted quota should be taken delivery on or before 10th June 1948.
